

# QRPX-2017 First Place Winner - How the Army Does HF Radio

ARMY MILITARY AUXILIARY RADIO SYSTEM (MARS)-FRIDAY, APRIL 14, 2017

**B Troop 3-16 Cav Army Reconnaissance Course, Fort Benning GA.**

The top scoring team, with 61.95 points, demonstrates effective HF radio communications by winning QRPX 2017. SFC Keven Miller's team took their equipment to the field, built a variety of antennas, and used the QRPX weekend to train long range communications. The following pictures give us a glimpse of just what that means.
